

**Position Opportunity: Executive Sous Chef**

Old Westbury Golf & Country Club, a private 450-member family country club, located in beautiful Old Westbury, Long Island, NY is searching for a Sous Chef.

The Executive Sous Chef position is responsible for assisting in all food production used for member dining, banquet functions and any other Club events. The Executive Sous Chef assists the Executive Chef with monthly inventories, pricing, cost controls, storage, requisitioning and issuing for food production, which also includes a seasonal snack bar. Furthermore, he assists in planning and executing menus for lunch, dinner and special events while maintaining the highest professional food quality and sanitation standards. The Executive Sous Chef Assists in the development of training and the provision of professional development opportunities for all kitchen staff. The Executive Sous Chef personally works in any station as assigned by the Executive Chef. The Executive Sous Chef needs to be comfortable conversing and interacting with members, staff and vendors. The Executive Sous Chef works closely with the F & B Department to assure that the member's and guest's expectations are exceeded. The Executive Sous Chef is visible, accessible and welcomes feedback from members and staff. This position reports directly to the Executive Chef and participates as a member of a strong management team. The position demands creativity on a daily basis, excellent communication skills, and the ability to maintain the highest hospitality standards.

Qualifications:

Candidate must have a minimum of two (2) years Sous Chef Experience, preferably in a private club or luxury hotel environment. Must have excellent communication and leadership skills, be able to multi-task, be able to keep up with the cooking trends, be able to produce a high volume of excellent food for special events and have working knowledge of MS office.

Education:

Preferred candidates will have an Associate's degree in Culinary Arts or a related field.

Compensation/Benefits:

Salary is commensurate with experience. The standard benefits package applies in addition to continued training and education allowance.

Position Available: Beginning of March 2020
